Mary,

Attached, please find a draft outline of an proposed agenda for the upcoming call on Monday. I think I have incorporated most comments, but may have to make some modifications later. I am sending this from our Vegetable & Flower Seed conference in Scottsdale, AZ (Which just got ½ its annual rainfall while we were here!), so I've been a bit backed up.

I hope the call goes well tomorrow Mary and we will contact you following our Board meeting this week.

Best regards,

| Andy
